Important news for Association members Saturday 13 June 2015 Lunch

The Civil Service Club, Whitehall, London: With just a few days to go before the next luncheon here are some exciting developments!

A letter to all members from Colonel Walton, Association Chairman.

To reduce the burden of postal mail we are using alternative distribution of documents to members and are requesting that you read a very important letter from the Chairman. This letter refers to the activities of Leinster Regiment Ireland Group (or LRIG) and how the group has impacted our own Association and our plans for the future. You can read, and download a copy of the letter from the Association's website. We have provided a [direct link to the webpage](#).

Proposals for a revision to the Association's Constitution

Over the past twelve months the Chairman and committee have overhauled the structure of the Association and now wish to consider revisions to the Associations Constitution and Rules. A draft of the revision is now available on the Association website for members to read and/or download. We have provided a [direct link to the revision draft document](#)

Minutes of the OGM held on 11 April 2015

The minutes of the Ordinary General Meeting held at the Civil Service Club, London, on Saturday 11th April 2015 may now be downloaded from the Association website. We have provided a [direct link to the webpage](#)

The Association website

In response to requests from members for more information to assist research and online distribution of information a Members Area is being introduced within the Association website. Members will be able to login to the Members Area using the email address registered with the Association. This is still in work-in-progress whilst material is developed specifically for the benefit of members. As part of the process, in a few days you will receive an email inviting you to confirm your registration and to choose a password. We will send you an advance email first to advise you to be on the look out for the 'registration' confirmation email. This promises to be an exciting development that will offer another tangible benefit of membership of the Association.
